Défrichement de la ZAC du Warndt park

- 
- The map illustrates the land use planning for the Warndt park ZAC. It features a central area outlined by a dotted line, divided into various colored zones. A legend in the bottom left corner defines the colors: light green for 'Réserves foncières', red for 'Parcelles défrichées', dark green for 'Parcelles boisées existantes', and yellow for 'Parcelles à reboiser'. The map shows a mix of these zones, with a large red area in the center, surrounded by green and yellow areas. The background is a light grey aerial photograph.
-  Réserves foncières
 -  Parcelles défrichées
 -  Parcelles boisées existantes
 -  Parcelles à reboiser
